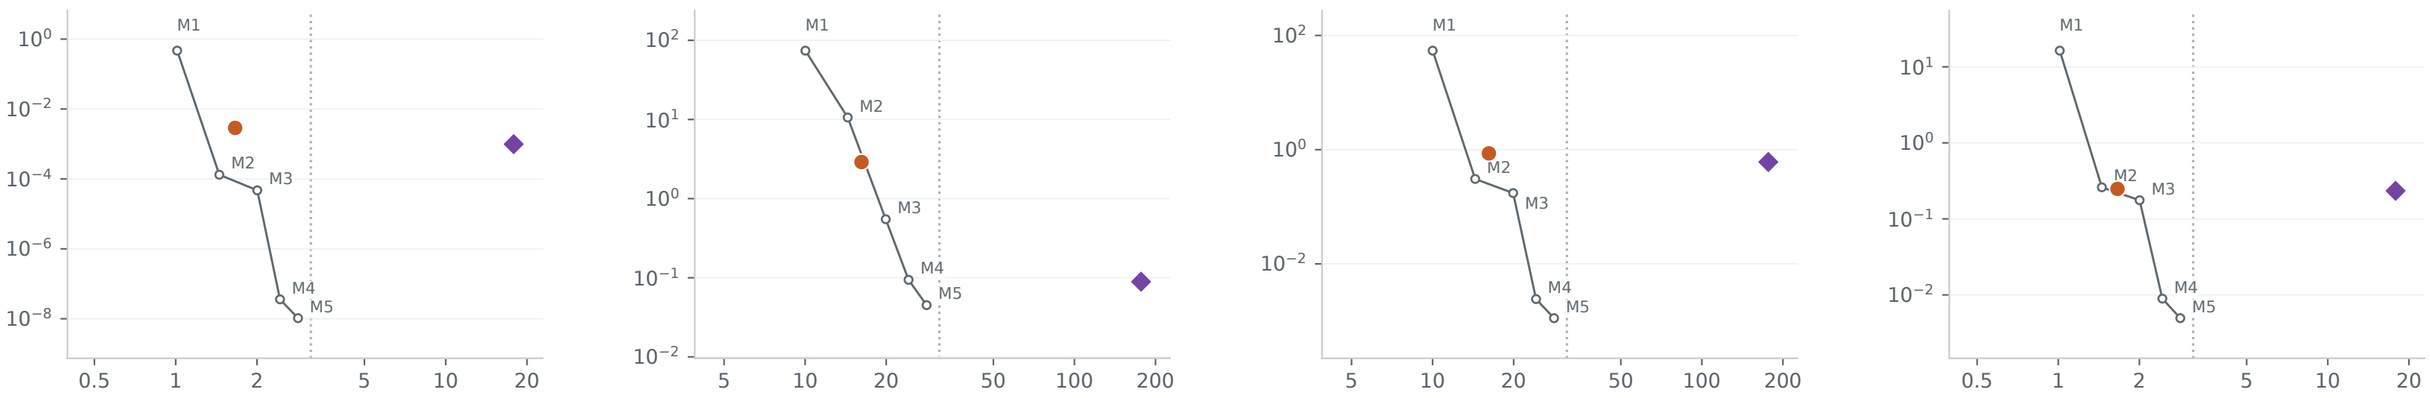
Single-rollout runtime vs error

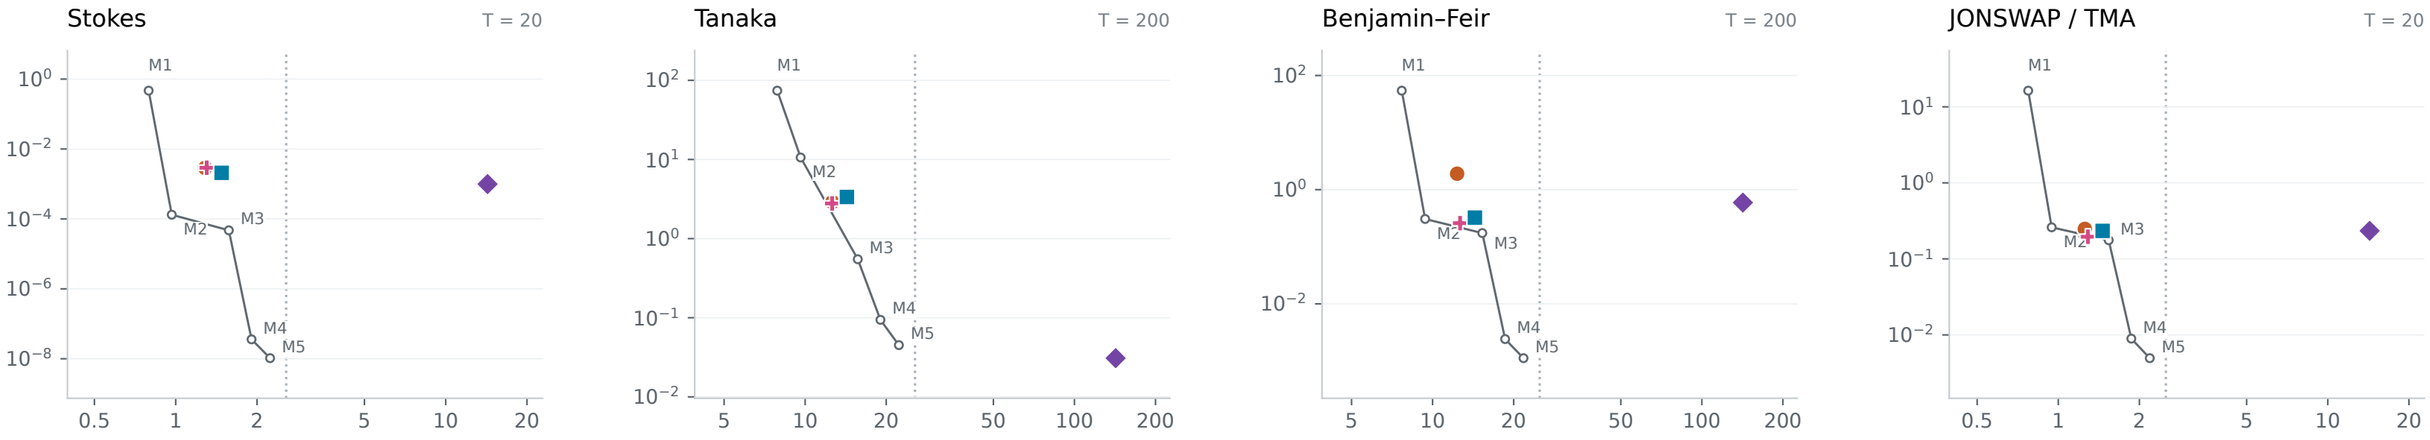
Blackwell · Modal — RTX PRO 6000

Classical · New candidate optimized network · Spectral DNO — weight EMA (PyTorch) · M6 time



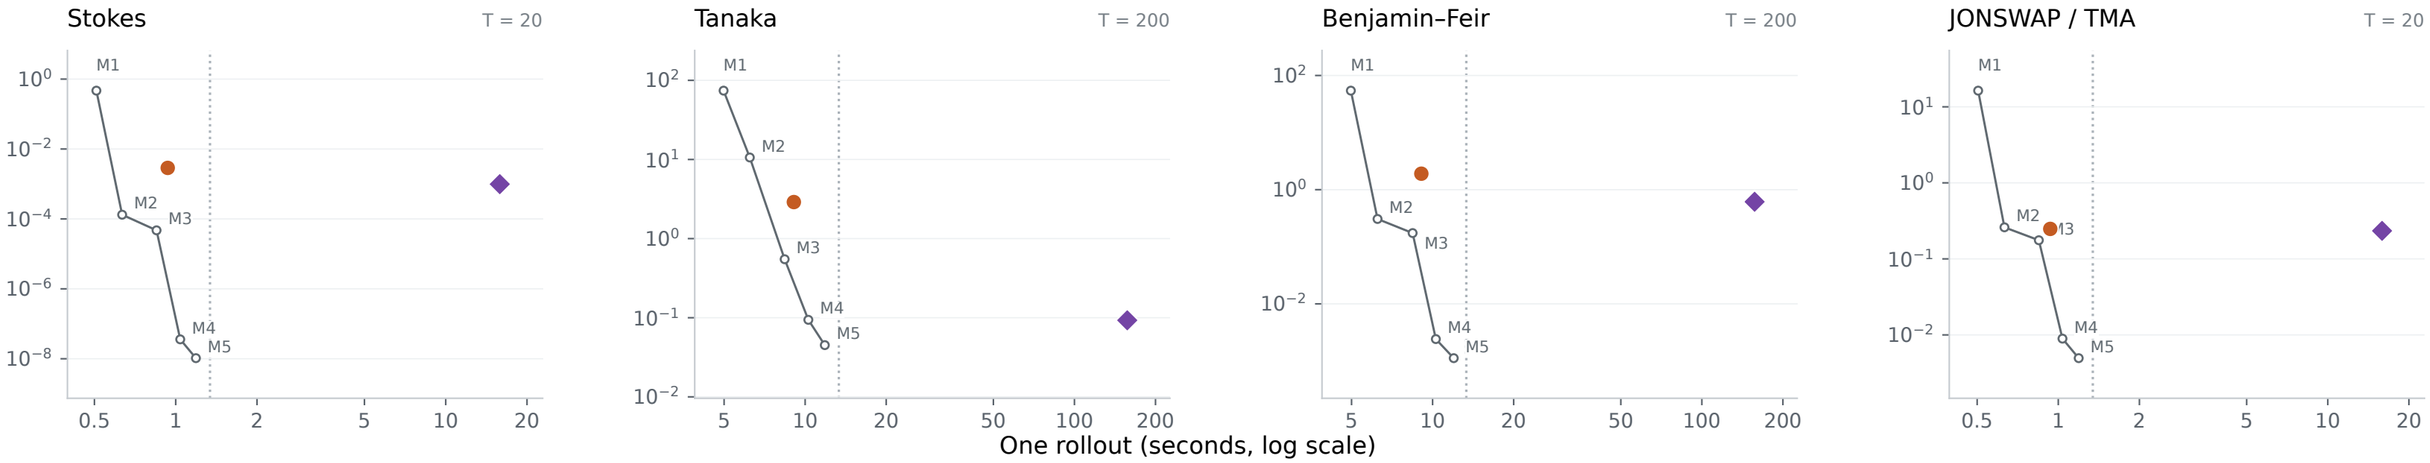
Ada · Local — RTX 6000

Classical · New candidate optimized network · Rollout-supervised network · M6 time · Spectral DNO — weight EMA (PyTorch) · RMS + Fourier context



A100 · Modal — A100-SXM4-80GB

Classical · New candidate optimized network · Spectral DNO — weight EMA (PyTorch) · M6 time



Final surface error (%)

One rollout (seconds, log scale)
